# *Details of Revenue and Expenditure Activity Preamble*

The format of Volume 3 has been modified in 1985-86 to facilitate the readability and accessibility of the information contained in this Volume.

Summaries of revenue and expenditure have been included at the beginning of Volume 3 for the Combined, Consolidated and Heritage Funds. These summaries allow easier accessibility to information without the need to refer to other documents such as the Estimates and Volume 1 of the Public Accounts.

Following these summaries are the revenue and expenditure details for the Consolidated Fund and the Saskatchewan Heritage Fund.

For each of the Funds the following information is provided:

- Revenue by department (by division for the Heritage Fund) and by source.
- Expenditures at the vote and subvote levels along with the following relevant information for legislative compliance purposes: original estimates, special warrants, virements (when applicable), underexpended amounts, accounts payable, and under or overcommitted amounts.
- Within each subvote expenditures by major type (object).
- Expenditures by payee in the following categories:

**Grants**

The total amount paid to a recipient in the fiscal year under a grant program paid directly out of either the Consolidated Fund or the Heritage Fund is reported when the amount paid is $2,000 or more. This does not apply to programs where the governing legislation requires that the information be kept confidential. Programs of this nature would include the income security programs such as the Saskatchewan Assistance Plan, the Saskatchewan Income Plan and the Family Income Plan.

In addition, at the discretion of Treasury Board, universal grant programs paid to individuals that do not permit ministerial discretion and that result in a high volume of payments may not be reported by payee. To date, the only program that falls in this latter group is the Mortgage Interest Reduction Program.

**Salaries, Services and Gratuities**

These are listed for each vote within a department and include all payments made to a payee which total $20,000 or more.

**Travel, Sustenance and Vehicle Expenses**

These are listed for each vote within a department and include all payments made to a payee which total $2,000 or more.

**Other Expenses**

Any other payments made by a department not falling under any of the three categories discussed above are published by payee when the amounts paid under the vote total $10,000 or more.
